# THE CAMPAINS LOCATION FOR THE CONTROL OF THE CONTR High Priced

DEALERS tell us that many people infer Vacuum Cup Tires and "Ton Tested" Tubes are high priced, assuming that quality and high prices naturally go together.

To the contrary, they are very moderately priced, due to a perfected factory organization operating in a plant utilizing every modern improvement and practical labor saving device, and marketing under an independent zone selling system which makes possible highest quality at economy prices.

Compare these prices - standardized ner and uniform throughout the United States-with those of ordinary makes. Pay no more for Pennsylvania products -do not expect them for less.

To Our Depositors and Friends:

We have carefully and thoroughly investigated the merits of the Chemical Filter Protect Checks under by the Todd Protectograph Company and they have convinced us of the necessity of installing their system, giving as the hear check protection possible, and we have placed an order with them for Cashier's Checks and Brafts.

We shall, of course, continue to furnish our ensistency checks as it has been our custom in the post, but believing that any one with a bank account cannot be too carring in guarding against forgery, alteration of the name of the payes and rabing of the amount of their checks, we take this opportunity to call your attention to the complete form of Check Protection offered by the Todd Protectograph Company and take pleasure in recommending them far your enreful consideration.

Their system is used by the larger per cent of the banks over the country and is endorsed by both the American Bunkers' Association and the State Associations.

Respectfully,

OUR STREET OF REGISTRATION PREVENTS US FROM SELLING PORIGERY PROOF CHECKS TO BANKS FOR USE OF CUSTOMERS. WE SELL CHECKS TO BANKS FOR THEIR OWN USE ONLY AND TO DEPOSITORS BURECT.
